

HOLY REDEEMER CATHOLIC SCHOOL

Summer 2025

**“Holiness doesn’t mean doing extraordinary things, but doing ordinary things with love and faith.”
Pope Francis**

Humility, Compassion, and Service

“We must restore hope to young people, help the old, be open to the future, spread love.” Pope Francis

This Spring we had to deal with both loss and hope, with the passing of our Shepherd Pope Francis. Though we are left with a great loss, we now look with hope and trust to our new Pontiff, Pope Leo the XIV. Pope Francis was a huge inspiration to all Catholics but especially for Holy Redeemer and our community. We will feel the loss of his wisdom and love, but how blessed to have the gifts he left us with; Spirituality, Wisdom, Kindness, Empathy, Love, and Understanding. He has left us with so much hope for our future generation so let us continue to help them grow into Catholic leaders who can take care of our Church and each other.

Proudly Catholic

We are so happy with our beautifully remodeled chapel. Thank you to St. Kenneth's Parish and Ideal Group for sponsoring this remodel. All Saints Chapel allows our students a quiet place to reflect, pray and feel the closeness of God. The saints featured in the chapel, all bring a connection for our students through age, heritage or works. We offer special honor to the Blessed Mother, St. Katherine Drexal, Blessed Solanus Casey, St. Juan Diego, St. Maria Goretti, Blessed Carlos Acutis, and St. Jose Sanchez del Rio. We have dedicated this chapel in honor of Sr. Elizabeth Fleckenstein IHM, who devoted over 44 years of service to Holy Redeemer and who is now hopefully relaxing and enjoying the comradery of her IHM Sisters in Monroe.

Academically Excellent & Sustainable

**“Dear young people,
do not bury your
talents, the gifts that
God has given you!
Do not be afraid to
dream of great
things!”
Pope Frances**

At Holy Redeemer, we believe learning extends far beyond the classroom. We encourage students to view the world as their academic environment, embracing opportunities to learn wherever they are. From preschool through 8th grade, our students grow through diverse opportunities such as trips to Cranbrook, Dinosaur Park, the Detroit Zoo, U of M's Medical Symposium, Selfridge Star Base, and Wayne State's Robotics Camp. Our students also participate in STEM Library, Coding & Robotics, Kithara Guitar programs, Eco-Green Schools, Medical and Entrepreneur groups, and Science Fair. Leadership roles like Student Retreat Leaders, Altar Servers, and Lectors also help shape their character. Family and community are vital to our mission, as seen in events like this year's Fun Run, Field Day and Family Carnival, a joyful celebration of unity, excitement, and school spirit.

Accessible to All

With rising costs throughout the economy we continue to strive to keep Holy Redeemer affordable and accessible to families wanting a Catholic Education for their children. We are so grateful to all of our benefactors who contribute to our scholarship and student sponsored programs. Our doors stay open and our numbers are strong because of all the support we receive from so many. We continue to need you to be there for our students so we invite you to visit us and see the difference you are making in this world. The children are our hope for the future and you are our hope for today.

We invite you to become a part of this family. It takes numbers to stand strong and we need you! The cost of educating a student in Michigan is \$9150. We are tuition based and ask our parents to pay \$5450. Of our students, 95% receive some form of scholarships either through the Archdiocese of Detroit or through our own scholarship. Consider the great possibilities if you become part of this mission. Your donation will allow us to welcome more students to the Holy Redeemer Family.
